

PEBBLES PROJECT SPONSOR A CHILD 2018

THANDO AND LOGAN'S PROGRESS REPORT

THANDO-1 YEARS OLD

Thando is now 1 years old!
He celebrated his first birthday in April and to celebrate this milestone the Xhosa culture shave all male babies hair off. So his beautiful big head of hair is now all gone.

LOGAN-3 YEARS OLD

Logan is doing well and has moved into the more advanced class with a different teacher. She is struggling a bit with the tasks. Pebbles is offering extra support to her teacher to further support Logan. She loves playing dress up with handbags and sunglasses.

HELP TAKE THEM TO SCHOOL

For many parents the cost of sending their children to school is an enormous financial burden and some children do not attend school because they do not have either the stationery or uniform that they require. Each year we aim to provide a school pack for every child starting primary school, every child entering high school and as an incentive for all final year learners. Sponsor a school pack for just €25/R250 and help change a life! The new school year in South Africa starts in January 2019.
